PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Dear Sir:

The above-identified application is believed to be abandoned for failure to respond to the Notice of Non-Compliant Amendment of May 24, 2010, which had a statutory period set to expire on June 24, 2010. Pursuant to 37 C.F.R. § 1.181(a), the applicants respectfully petition the Commissioner to withdraw the holding of abandonment in the above-identified application, in light of the following points.

1. The original Notice of Non-Compliant Amendment of May 24, 2010 was never received by the applicants' current representatives, and thus the applicants could not have responded to the Notice of Non-Compliant Amendment within the statutory period.
2. Per MPEP §711.03(c)(I)(A), the applicants respectfully submit that a Petition to Withdraw Holding of Abandonment is proper under these circumstances. Accordingly, the undersigned states for the record that the original Notice of Non-Compliant Amendment of May 24, 2010 was not received by counsel for the applicants.

3. The undersigned also states for the record that applicants' current representatives have a docketing system for recording all actions received at the correspondence address of record with the USPTO. Per the firm's procedures, all incoming actions are entered into the docketing system promptly after receipt. The docketing system tracks the application number, attorney docket number, mail date of the actions, and due dates for responses to the actions. This docketing system is believed to be sufficiently reliable.
4. The undersigned states for the record that no hard copy of a master docket is known to exist that shows all replies for Campbell Stephenson (CS) LLP, applicants' current representatives, that are docketed for June 24, 2010, the one month date from May 24, 2010 (the mail date of the nonreceived Notice of Non-Compliant Amendment). However, attached is a copy of a report from applicants' docketing system for attorney SGC indicating no due date items for June 24, 2010. This report was printed December 6, 2010.
5. Attached is an invention data sheet that was recently printed from the docketing system for the instant application, which is identified by inventors, attorney docket number and title. The undersigned states for the record that the attached invention data sheet lists SGC as the responsible attorney for the instant application, and that SGC has been the responsible attorney for the instant application since May 12, 2010, a date that predates the one month due date of June 24, 2010. The undersigned states for the record that the docketing system will record the date when an update is made to the responsible attorney. The attached invention data sheet shows that no change has been made to the responsible attorney since May 12, 2010, the date of the last update to invention data for the instant application.
6. The undersigned states that the docketing system prints dockets for an individual attorney, which identify due dates for all Office Action replies that list the individual attorney as the responsible, supervising, or working attorney. The attached docket portion shows there were no replies due June 24, 2010, in which SGC, the undersigned, is the responsible, supervising, or working attorney, which supports the position that the original Notice of Non-Compliant Amendment of May 24, 2010, was not received by applicants' current representatives.
7. The undersigned attests to the fact that a search of the file jacket and docket records indicates that the original Notice of Non-Compliant Amendment of May 24, 2010 was not received by applicants' current representatives. Copies of the docket record for this application and file jacket are attached. These copies show that the Notice of Non-Compliant Amendment of May 24, 2010 was not entered into the docketing system per CS LLP's procedures and that the Notice of Non-Compliant Amendment was not entered into the file jacket per the CS LLP's procedures.

8. The applicants therefore respectfully request that the holding of abandonment be withdrawn and the nonreceived Notice of Non-Compliant Amendment of May 24, 2010 be remailed.

In view of the remarks set forth herein, the applicants believe the holding of abandonment should be withdrawn, the nonreceived Notice of Non-Compliant Amendment of May 24, 2010 should be remailed, and that no petition fee is required. Should any fee be due for this petition, please charge such fee to Deposit Account No. 502306. Should any issues remain that might be subject to resolution through a telephonic interview, the examiner is requested to telephone the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'S. G. Campbell, III', with a long horizontal flourish extending to the right.
